ABOUT THE COLLEGE

Bhavan's Vivekananda College of Science, Humanities & Commerce, Sainikpuri, Secunderabad, was established in 1993 under aegis of Bharatiya Vidya Bhavan (Estd. 1938) - A prime Conglomerate of 361 educational & cultural institutions spread all over the world, founded by Kulapati Dr. K. Munshi. The college is accredited with A Grade by NAAC in 2012 and was granted Autonomous status by the UGC and Osmania University in 2015.. Re-Accredited with 'A' Grade by NAAC, BVC has secured a **151 - 200** band ranking in NIRF Rankings and is one among the colleges from Telangana to secure NIRF ranking **in the top 200 colleges in 2025.**

ABOUT DEPARTMENT OF COMMERCE

The Department of Commerce was established in the year 1993 with 1 section of B.com programme consisting of 433 students. In a span of 33 years, the department expanded into 1 section of B.com (General) and 2 sections of B.com (Computer Applications), 2 sections of B.com (Honors), a programme of B.com (Honors Business Analytics) and B.com (Finance) with a total strength of around 1275 students. The department offers 4 UG Programmes and 1 PG Programme, M.Com Programme was introduced in the year 2014 and strengthened over a period of 12 years by providing quality education and encouraging students to take part in conferences, workshops, seminars and various competitive examinations.

ABOUT INDIAN ACCOUNTING ASSOCIATION (IAA)

The Indian Accounting Association is an interface between academicians, professionals and practitioners from various universities, business, industry and government. The main function of IAA is to promote and disseminate the knowledge of accounting and the related subjects in India and abroad. Further, it aims to undertake and encourage research in the field of accounting. Ever since its inception, the IAA has served as an important forum for raising the status of accounting both as a discipline and as an important tool for managerial decision-making.

The IAA Hyderabad branch was established in 2003. It has 350 life members and is actively involved in organizing conferences and seminars on various accounting related themes. In the year 2005 and 2021, IAA Hyderabad branch successfully conducted conferences with the association of Commerce Department, Osmania University, Hyderabad.

ABOUT THE SEMINAR

The rapid advancement of digital technologies are transforming the accounting profession, redefining the way financial information is recorded, processed, analyzed and reported. Emerging technologies such as Artificial Intelligence (AI), Machine Learning, Blockchain, Cloud Computing, Big Data Analytics, and Robotic Process Automation are enhancing accuracy, improving efficiency, and enabling data-driven decision-making in accounting practices.

This One Day National Seminar aims to provide a platform for academicians, researchers, industry experts, and students to deliberate on contemporary technological innovatory, emerging trends, challenges, and opportunities shaping the future of accounting and financial management in the digital era.

WHO CAN PARTICIPATE?
