✦ Transforming Teaching through Innovation, Technology and Excellence ✦

ABOUT THE INSTITUTION

- Government First Grade College, Chikkaballapura, was established by the local Municipal Council as the “Municipal College” on 5 June 1968. Later, the Government took over the college in 1986 and renamed it Government First Grade College. It is one of the oldest and most prestigious institutions, having completed 58 years of dedicated service in the field of higher education.
- The college is affiliated with Bengaluru North University and was conferred UGC 2(f) and 12(B) status in 2006. The college has also received infrastructure grants under RUSA 1.0 and RUSA 2.0.
- The college offers Undergraduate Programmes including B.A., B.Sc., B.Com., B.B.A., and B.C.A. in subjects such as Botany, Chemistry, Computer Science, Mathematics, Physics, and Zoology. It also offers three Postgraduate Programmes: M.A. in Political Science, M.Sc. in Chemistry, and M.Com.
- The students of the college have secured several University Ranks in the Bengaluru North University examinations. Many faculty members possess Ph.D., M.Phil., NET, and SLET qualifications and have published research papers in national and international journals.
- The college has rendered remarkable service to society by producing distinguished academicians, public servants in State and Central Government services, and eminent scientists.

ABOUT THE FACULTY DEVELOPMENT PROGRAMME

- The rapid advancement of digital technologies has transformed the landscape of higher education, making innovative and technology-enabled teaching practices essential for effective learning.
This Seven-Day National-Level Online Faculty Development Programme (FDP) aims to empower educators with contemporary pedagogical approaches, Artificial Intelligence (AI)-powered teaching tools, digital assessment strategies, and innovative classroom practices.
- The programme is designed to enhance the professional competencies of faculty members through hands-on exposure to emerging educational technologies, research-oriented digital resources, and best practices in teaching and learning. It offers a platform for academicians, researchers, and educators to explore AI-driven educational innovations, strengthen digital literacy, and promote collaborative learning.
- Through expert sessions, interactive discussions, and practical demonstrations, the FDP seeks to foster academic excellence, encourage innovative teaching methodologies, and prepare educators to meet the evolving demands of 21st-century higher education.

OBJECTIVES OF THE FACULTY DEVELOPMENT PROGRAMME

- To understand the role of digital technologies in transforming higher education.
- To integrate Artificial Intelligence (AI) tools into teaching, learning, and academic practices.
- To develop engaging and interactive digital learning resources.
- To design Outcome-Based Education (OBE)-aligned lesson plans using technology-enabled pedagogical approaches.
- To explore innovative digital assessment and evaluation techniques.
- To enhance research productivity through the effective use of AI-powered research tools.
- To promote the ethical, responsible, and effective use of digital technologies in education.

EXPECTED OUTCOMES

At the end of the Faculty Development Programme, participants will be able to:

- Design engaging, technology-enabled digital learning environments.
- Integrate Artificial Intelligence (AI) tools effectively into classroom teaching and learning.
- Develop high-quality digital learning resources using modern educational technologies.
- Design and conduct effective online assessments using digital and AI-powered tools.
- Apply innovative pedagogical strategies to enhance student engagement and learning outcomes.
- Enhance research, academic writing, and scholarly productivity through the effective use of AI tools.
- Promote ethical and responsible use of digital technologies in education and research.

FDP SCHEDULE

Day	Date	Resource Person	Topic	Major Focus
1	10.08.2026	 Dr. M. Prakash , M.Sc., M.Phil., Ph.D. Vinayaka Mission's Research Foundation (Deemed University), Salem	Planning Teaching with AI Tools	ChatGPT, Gemini, MagicSchool AI tools for lesson planning, explanations, examples, classroom activities, differentiated learning and personalised teaching.
2	11.08.2026	 Dr. Pragya Sengupta , M.Phil., Ph.D. Assistant Professor (English) VIT-AP University	Content Creation with Digital Resources	Creating PPTs, infographics, brochures, worksheets, handouts, visual materials and other educational resources using AI tools.
