About the College

Iswar Saran P.G. College, a premier constituent college of the University of Allahabad came into existence in 1970 under the aegis of Harijan Sewak Sangh. This college was founded by late Munshi Iswar Saran, a close associate of Mahatma Gandhi. The bonding and association of Late Munshi Ji with Mahatma Gandhi was so strong that he visited the campus twice which accorded the heritage significance to our institution. Later on, as a tribute to its founder, the society was renamed as Iswar Saran Ashram. UGC has granted the title of 'College with Potential for Excellence' (CPE) status to Iswar Saran PG College. The mission of the college is to disseminate knowledge, skills, values and character to the students which helps them to face ever emerging global challenges in life. Apart from the traditional courses, the college runs various certificate courses. Such courses enable the students to face challenges and concerns of the life and contribute to the society in general.

About UGC-Malviya Mission Teacher Training Centre

The UGC-Malviya Mission Teacher Training Centre at Iswar Saran PG College has been established in September 2023 under the scheme of Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMNMTT), Ministry of Education, Govt. of India. The UGC-MMTT Centre frequently organizes training programmes to groom faculty for NEP-2020, analytical skills, communication skills, honesty, integrity, human rights, gender sensitization and commitment to social justice. The mission of this UGC-MMTT Centre is to impart comprehensive training for instilling professionalism, competency and humanism in the teachers of Higher Education.

About the Programme

This Multidisciplinary Refresher Course in Social Sciences and Humanities caters to professionals and academics aiming to deepen their understanding and update their knowledge in these dynamic fields. This comprehensive program offers a blend of theoretical insights and practical applications across various disciplines within the social sciences and humanities. Participants can expect a rich content covering a wide spectrum of subjects, including History & Culture, Political Science, Sociology, Economics, Defence, Geography, Psychology, Philosophy and Literature. The goal is to provide a holistic learning experience fostering interdisciplinary thinking and equipping attendees with a comprehensive perspective on contemporary issues. Key features include interactive lectures by esteemed faculty who are experts in their respective fields, as well as case studies and real-world examples to illustrate theoretical concepts and their implications. This approach enhances understanding and prepares participants to apply their knowledge effectively in professional roles or academic pursuits. This Multidisciplinary Refresher Course emphasizes the importance of staying updated with current research trends and methodologies. Participants will explore emerging topics and debates within the social science and humanities, social sciences, ensuring they remain at the forefront of their fields. This course is ideal for faculty members seeking to expand their intellectual horizons and gain valuable insights that can enhance their academic endeavors in the vibrant and ever-evolving realms of social science and humanities.

Objectives

The key objectives of this refresher course are as follows :

- To provide participants with an advanced understanding of emerging theories, methodologies and interdisciplinary approaches in Social Sciences and Humanities.
- To encourage critical thinking and analytical engagement with contemporary social, cultural, political, economics, environmental challenges and ethical issues.
- To promote interdisciplinary dialogue between disciplines such as History, Political Science, Economics, Geography, Sociology, Anthropology, Philosophy, Media Studies, Cultural Studies and Literature.
- To strengthen understanding of inclusive education, gender studies, social justice, human right and sustainable development in contemporary academic discourse.
- To develop innovative teaching-learning strategies using ICT tools, e-learning platforms, blended learning and experimental pedagogy.
- To encourage publication-oriented research, project development, policy analysis and collaborative academic networking.

Content Outline

The important contents of this course are as following:

- Introduction to new trends in Social Sciences and Humanities
