ABOUT SHIVAMOGGA

Shimoga,officially known as **Shivamogga** is a city and the district headquarters of Shimoga district in the central part of the state of Karnataka, India. The city lies on the banks of the Tunga River. Being the gateway for the hilly region of the Western Ghats, the city is popularly nicknamed as "Gateway of Malnad". The city is 569 mtr. above sea level and is surrounded by lush green paddy fields, arecanut and coconut groves. It is located 267 km from the state capital Bangalore and 195 km from the port city Mangalore. The name of the city is derived from the term "*shivmoga*". A version of etymology is due to the story that Lord Shiva drank the Tunga river water using "*Mogge*", hence the name **Shiva-mogga**". Another version of etymology is that the name is derived from the term "*Sihi-Mogge*", meaning "sweet pot".

ABOUT NATIONAL EDUCATION SOCIETY(R)

During the Freedom struggle, Mahatma Gandhi, the Father of our Nation stressed the need for quality rural education and development of women education and urged the leaders and youth to help in promoting it. Senior Freedom fighters and public of Shimoga were first to respond to the call of Mahatma. In 1946 they set up the National education society at Shimoga which is the important place of Malnad Area of Western Ghat Region in the Country which is endowed with rich and enchanting grace of Nature.

The Society with the zeal dedication of senior leaders of the district like Mr.S.V. Krishna Murthy Rao, former deputy speaker of Lok Sabha, Mr.H.S. Rudrappa, Former Minister of Karnataka Mr.P.Murudappa, Mr.R.K. Jayatheerthachar and Mr.S.Narasimha Murthy senior Advocates, Mr.S.R. Nagappa Shrestty, Ex-MLA and a great social worker and others strived hard to build the institution as founders to achieve the aspirations of Mahatma. The society started independently Managed High School in the district during 1946 and constructed its own building with public assistance. With a view to give thrust towards girl's education NES opened the first Girl's High School in the district in 1954 and gradually opened educational institutions in rural areas of the district to cater the needs of rural people.

Despite number of problems during and after freedom struggle the enthusiasm and commitment of National Education Society never deterred towards working for the cause of education. The society started number of professional Colleges in the district. Now it is running 40 educational institutions providing education to more than 15,000 students with 1000 staff force. Starting from giving importance to Primary, Secondary and Pre-University education by opening number of Schools and Junior Colleges, the National Education Society is offering courses with high quality education in Engineering, Law, Commerce, Pharmacy, Applied Science and Home Science, B.Ed through its well established colleges.

ABOUT NATIONAL COLLEGE OF EDUCATION

The National College of Education was established in 1963 by National Education Society, Shimoga. National Education Society pioneer society in the malnad region of Karnataka. The society was founded by the freedom fighters of high repute from the region to give education that is most appropriate to fulfill the National interest.

The college has been training and imparting education at the under graduate level. The college has responded well to the sweeping changes that are ushered by globalization, liberalization and privatization by enabling the students to build up their career by providing B.Ed. degree course.

The college was affiliated to Mysore University when it was started, later on when the Kuvempu University was started in the year 1990, the college came under Kuvempu University. The college has all the facilities to cater the needs of student- teachers and the college staff. The college is recognized by the N.C.T.E. The college is regarded as one of the reputed teacher education colleges in the state. The students, who have passed out of the college, have made significant contributions in the field of education as teachers and administrators. The college is affiliated to Kuvempu University and is recognized by Government of Karnataka. We feel proud to reiterate that our college is Accredited by National Assessment and Accreditation Council at the “B++” Grade level.

ABOUT NATIONAL CONFERENCE

Artificial Intelligence (AI) is rapidly transforming education by reshaping teaching, learning, and assessment practices. This International Conference aims to provide a multidisciplinary platform for academicians, researchers, teacher educators, and professionals from diverse fields to explore the integration of AI in education.

The conference focuses on preparing smart teachers who can effectively use AI tools to enhance teaching-learning processes, foster innovation, and support inclusive education. It also highlights the importance of ethical practices, digital competence, and interdisciplinary collaboration in building future-ready classrooms.

By bringing together experts from various disciplines, the conference aspires to contribute towards a sustainable, inclusive, and technology-driven educational ecosystem.

Call For Paper

The Conference invites teacher educators, school teachers, researchers, academicians, educational administrators from colleges and universities, government officials working in the Education Department, curriculum developers, NGOs working in the field of education and/or special education to submit innovative and original research papers.

Objectives of the Conference

The main objectives of the conference are;

- To explore the role of Artificial Intelligence (AI) in transforming education across disciplines
- To promote innovative and technology-enabled teaching-learning practices using AI
- To encourage interdisciplinary research and academic collaboration
- To discuss challenges, ethical concerns, and policy implications related to AI in education
- To prepare educators for future classrooms and digital learning ecosystems
- To foster the integration of AI tools for personalized and adaptive learning
- To promote inclusive and equitable education through AI-enabled solutions
- To provide a platform for sharing best practices, research findings, and case studies
- To examine the role of AI in assessment, evaluation, and learning analytics
