Mythology, Ritual, and Practice: The Intersection of Sacred Texts and Daily Life in India

Dear scholars!

Research articles/book chapters are invited for the book "Mythology, Ritual, and Practice: The Intersection of Sacred Texts and Daily Life in India." The book will be published by a national publisher with an ISBN number. All of you are requested to send your articles.

ABOUT THE TOPIC

Indian mythology, with its rich tapestry of gods, heroes, and cosmic narratives, deeply influences the daily rituals, religious practices, and cultural traditions of the subcontinent. Sacred texts like the Vedas, Upanishads, and epics like the Mahabharata and Ramayana provide the foundation for many rituals, from daily prayers and life-cycle ceremonies to grand festivals. These mythological stories are not just ancient tales, but living traditions that shape ethical conduct, spiritual practices, and community life, offering a connection between the divine and the everyday experiences of individuals. Through rituals and observances, these myths continue to guide and enrich the spiritual and cultural fabric of Indian society.
