

CONFai | CALL FOR ABSTRACTS

Conversations that Shape AI Futures

ConfAI 2026 invites research abstracts from doctoral students, postdoctoral fellows and early-career faculty across India to advance AI research.

Abstracts are invited in the following tracks^{*}

- AI in the Economy
- AI in Healthcare
- AI in Sensors
- Reasoning in Vision Language Models
- AI4Cities: Enhancing Resilience, Improving Liveability
- Responsible and Ethical AI
- AI and Logic: Relations and Applications

**Submissions are not limited to the tracks given above. Work pertaining to the theme of the conference is welcome. It could include ongoing research and previously published work.*

Technical program committee of ConfAI 2026 will review all abstracts and selected individuals will be invited to present their research at the conference. Air travel upto ₹20,000, accommodation, and all other conference expenses will be covered by Plaksha University.

Submission deadline: Aug 10, 2026

Conference dates: Oct 30 - Nov 1, 2026
